

ORIGINS PARTY GAMES

Here are the ways to win or lose your zombies. At 12:30 a.m., the games will be concluded and winners decided. We will weigh the zombies to see who has the most if not obvious. You will not get to keep the zombies at the end of the day. You may start playing any of the games at anytime when space is available.

LIVE ACTION ZOMBIES:

- Each player is given 3 cards, 2 tile halves and 50 zombies.
- Zombies vs Brains or Brains vs. Zombies. Zombies may not fight zombies. Brains may not fight brains.
- Initiating player puts a number of zombies in their hand and other person guesses odd or even. If correct, the initiating player must give a card, tile half or zombie to the other person. If incorrect, the other person gives a card, tile half or zombie to the initiating player, losing player's choice.
- Zombies count as 1, cards and tiles count as 1, matching cards count as 3, matching tiles (both halves of a building) count as 5.
- You must wear the button if you want to play this. If not playing the game, do not wear the button.

ZOMBIES BLACKJACK:

- Max bet 5 zombies. Normal blackjack rules.

ZOMBIES POKER:

- Max bet 5 zombies with 3 raises. Dealer chooses game.

ZOMBIES GAME:

- Players start at Town square, Front Gate or Front Entrance of the mall. Start with 3 bullets and 3 life.
- Each player keeps the zombies that they kill.
- No cards are used but normal player and zombie movement.
- Once out of life tokens, you are out of the game. If there is no one waiting to play, you may play again.
- Zombies will be replenished on the board once an hour.

WHEN DARKNESS COMES... ZOMBIES:

- Zombies are placed on all ? And ! Squares which will be replenished once an hour.
- Use a pre-generated character, chosen randomly.
- Normal movement.
- Combat will consist of an attack phase only. The first zombie you kill will have a TN level of 6H, the second 1P, third 3S and so on. If you do not successfully kill the zombie in 3 rounds, you are dead.
- When dead, you may play again if no one else is waiting to play.

ZOMBIE CARNIVAL GAMES:

- These cost 1 zombie to play.
 - A: Zombie toss. Throw a zombie into one of the zombies mouth and win the zombies as indicated.
 - B: Brain toss: Throw the brain into the center of the zombies, and win 5 zombies.
 - C: Zombie Bowling: Knock down zombies with the brain and win that many zombies.
- May only play each game three times per hour (which is when we rotate people running the games).

ZOMBIES SAY WHAT:

- This is our brand new game that hasn't even gone out to production yet.
- Once per hour, we will start a new game.
- Each player will wear a special sticker indicating that you are playing.
- Up to 20 people can play.
- Each player is given 5 cards.
- When someone else in the game says the word on the card or performs the action (red cards), they are given the card.
- The person with the least amount of points at the end of the time period will win 20 zombies.
